

Joining the EAA Chapter 515 Yahoo Group

If You Already Have a Yahoo User Account:

1. Go to <http://groups.yahoo.com/group/ea515/>
2. At the top of the page, click **Sign In**. This displays a sign-in page.
3. Enter your Yahoo ID and password, then click **Sign In**. This takes you back to the chapter's group page.

NOTE: This does *not* give you access to the group. To have access to the club's group page, you must be a member of the group.

4. On the right side of the group page, near the top, click the big blue button that says **Join This Group!** This displays a new page where you supply the information required to join the group.
5. Follow the instructions on the web page.

NOTE: In the *Comment to Owner* area, you must identify yourself clearly, so that I know you are a chapter member. First and last name please!!

If your membership request is denied, it is because I couldn't identify you as a chapter member.

6. Once you have everything filled out, click the **Join** button at the bottom of the web page.

Once you receive an email confirmation of your membership to the group, you will have access to the club's group page when you log in to Yahoo with the ID you used to join the club.

If You Do Not Have a Yahoo User Account:

1. Go to <http://groups.yahoo.com/group/ea515/>
2. At the top of the page, click **Sign Up**. This displays a page where you create your Yahoo user ID and password.
3. Follow the instructions on the web page.
4. Once you finish creating your "Yahoo self," click **Continue to Yahoo Groups**. This takes you back to the chapter's group page.

NOTE: This does *not* give you access to the group. To have access to the club's group page, you must be a member of the group.

5. On the right side of the group page, near the top, click the big blue button that says **Join This Group!** This displays a new page where you supply the information required to join the group.
6. Follow the instructions on the web page.

NOTE: In the *Comment to Owner* area, you must identify yourself clearly, so that I know you are a chapter member. First and last name please!!

If your membership request is denied, it is because I couldn't identify you as a chapter member.

7. Once you have everything filled out, click the **Join** button at the bottom of the web page.

Once you receive an email confirmation of your membership to the group, you will have access to the club's group page when you log in to Yahoo with the ID you used to join the club.
